Enclosure No.

In April 97 the 2Lt proposed 3 annas for Maidan & 4 annas for Malnad. No general order such as that recommended was issued but the above rates were sanctioned "under the exceptional circumstances of their (Police) present employment in the Malnad". The 2Lt repeats his original recommendation & asks that the rates be sanctioned with effect from 1st Nov 1898. The ordinary rates are 1½ annas for Maidan & 3 annas for Malnad. The 2Lt's proposal seems to deserve favourable consideration.

OFFICE OF THE

INSPECTOR GENERAL OF POLICE IN MYSORE.

No. 2373 / 225 Dated ....7 ~~8~~ January 1899.

Enc.

FROM

THE INSPECTOR GENERAL OF POLICE IN MYSORE.

To

THE SECRETARY TO THE GOVT. OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

SIR,

Adverting to Correspondence ending with Government Proceedings No. 13511-13 / D&A 1615 dated 18th June 1897, I have the honor to bring to the notice of Government, the utter inadequacy of the amount of daily batta of an anna and a half allowed to Special Reserve Constables when sent out on duty. These men being entire strangers

to the District do not receive any help and could not possibly live on 1½ annas a day. Large advances are given them from office Contingencies and the batta they get goes only half way to recoup the advance, and the balance is deducted from their pay. It is hard that the men should suffer in their pocket on account of exigencies of the public service.

I would accordingly recommend the grant of batta to the Special Reserve Constables at 3 annas per day for maidan, and 4 annas per day for malnad and request that the same may be sanctioned, with retrospective effect from the 1st November 1898,

in

in order that the men who were detailed on special duty to Seringapatam and Chickballapur may draw the enhanced rate of batta.

I have the honor to be,
Sir,
Your most obedient servt.,

H. Chamier

for Inspector General of Police
